STUDENT UNION
Dr. George A. Bowman

Serving his fifth year as administrative head of the university, Dr. George A. Bowman, combining a genial personality with progressive ideas, has become symbolic of the university’s expansion and rise to eminence as a scholastic institution.

Under his guidance there has been a tremendous expansion of housing and classroom facilities to handle the increased enrollment of recent years.

Dr. Bowman was instrumental in bringing national sororities and fraternities to this campus, and also seeing to it that only the better ones be permitted to come on the campus.

As a student of education at Western Reserve, Columbia, Chicago and Harvard Universities, he achieved a broad background for his teaching.

Since Dr. Bowman has been President the school has increased in acreage as well as enrollment. Three buildings are almost completed, which include a men’s dorm, a student union, and a new hospital.

Helping the President with his many and varied tasks is Mrs. Alice Makinson, Secretary to the President. With her assistance, students and faculty communicate their problems to the President.

Mrs. Alice Makinson
Each year the Ohio Senate consents to the Ohio governor’s appointment of one man for a five-year term to the Board of Trustees of Kent State University. He belongs to a group of six members, and one is an ex-officio member, Columbus’s Clyde Hissong, the State Superintendent of Public Instruction, who doesn’t attend the meetings.

The five members meet once each month, usually in President Bowman’s office, or occasionally at the Board treasurer’s office. They direct, and officiate at Kent State University affairs, and each also works actively and successfully at his business or profession in Ohio. Their problems include the budget, honorary degree grants, contracts for building, and tentative appointments for the approval of the Board.

The president of the Board, whose term expires in 1953, is John R. Williams. He is the Lake County Superintendent of Schools, resides at Madison, and has a Painesville office.

Joseph B. Hanan is the vice-president of the Board until 1952. He resides in Akron and is a retired B. F. Goodrich official.

Until 1949 the secretary for the Board is Robert C. Dix, who resides in Kent, and publishes the Ravenna “Evening Record” and the Kent “Courier-Tribune”.

1950 ends the term of Otto J. Korb, Ph.D., as the Board treasurer. He superintends the East Cleveland Public Schools.

Also a Board member is Charles H. Lake, LL.D. He now serves as an advisor to Cleveland’s Superintendent of Public Schools.
Dr. John Reed Spicer came to Kent State from Westminster, where he also held the position of Dean. His versatility and sympathetic understanding of undergraduates' needs and problems have made him one of the most popular administration staff members.

As Dean of the College of Liberal Arts, Dr. Spicer has made every effort to accommodate the several thousand students who account for the arts college lead in enrollment at Kent State.

Sensing the need for more thoroughly trained students in graduate schools, Dean Spicer has been concentrating on the pre-professional curricula in his college, along with a revised system of faculty advisors.

In the last dozen years the College of Business Administration has earned a place of its own at Kent State due primarily to the work of Dean Arden L. Allyn. When Dean Allyn first came to the University back in 1934, the College of Business Administration was practically unnoticed, but at present it has fifteen major fields of study possible for students interested in business.

Dean Allyn is the only pre-war academic dean still serving the university in that capacity. The reputation of the BA college has prospered in outside business circles to a great extent since the year 1934.

Dean Raymond E. Manchester has held the office of Dean of Men since 1920. Dean Manchester is probably known best for his ingenuity in establishing imaginative traditions. The buggy wheel that was supposed to have been lost scores of years ago by the founder of our neighboring university is probably the most famous. It seems that this wheel was lost in the mire where Kent State now stands. This wheel was recovered and painted and is now used for a trophy for the winner of the Kent State-Akron University football game. The wheel must bring good luck to the university because it has been hanging in the genial dean's office for the last two years.

Dean Manchester has capably handled the overflow of male students on the campus in his usual easy and likeable way.
Realizing the need for good teachers and their importance, Dean Robert I. White of the College of Education has incorporated the progressive methods obtained from the University of Chicago, where he received his training.

Although Kent State is no longer the teachers' college it was twenty years ago, Dean White has recognized the ever-important role that Kent fulfills in supplying teachers for northeastern Ohio.

At present Kent State has teachers in all the counties and large cities in the surrounding area, and Dean White is doing a tremendous job in helping to alleviate the teacher shortage in the area.

Since he came to Kent State in 1924, genial Dean Fren Musselman, Dean of Summer School and Extension, has enlarged his position from handling a few vacationing school teachers and night students into a job of handling thousands of students, mostly veterans going to school on an accelerated program.

Perhaps in a few years the enrollment will be reduced, but for the last couple years the enrollment for the summer session has been larger than the enrollment for the regular sessions before the war.

But in the meantime Dean Musselman is capably handling the heavy enrollment of serious students in all colleges in the university during the summer sessions.

As Dean of Women, Dr. Ada V. Hyatt, is recognized for her liberal, modern point of view and has preserved for Kent State women the freedom she believes they are capable of using wisely.

As Dean of Women, Dr. Hyatt has been a very important factor in bringing to this campus the highest-ranking national sororities. She also supervised in the reorganization of rushing and pledging practices used by the sororities.

Dean Hyatt also acts in an advisory capacity to Pan-Hellenic council and Women's League and helps to formulate their policies. She also works closely with off-campus housemothers for the best in rooming facilities.
Following in the hard-to-fill footsteps of E. C. Stopher, Registrar Charles Atkinson is doing a competent job of handling the important tasks assigned to the Registrar of a university.

Dr. Atkinson was appointed to the position after the unexpected death of Mr. Stopher, who had held the position for a number of years.

Handling all the funds of a state university is quite a large task, but the position is competently filled by Paul E. Beck, comptroller.

Besides the job of signing all the checks for the several hundred working students and faculty, he must supervise the expenditure of all the money spent by the university.

Working as the second man on a two man team with the comptroller is Emil Berg, Kent State University's able Business Manager.

He is in charge of the problem of where and how to spend the money. At present his biggest task is with the new construction that is being carried on now at the university.

The task of running a university in a high school building in downtown Canton is handled by Clayton M. Schindler.

Although the students are with him for only two years, Professor Schindler knows most of them and encourages them to complete the remaining two years of their education.

Rena E. Matson assumed her duties as Assistant Dean of Women in September of 1948. She came to Kent from Lewiston, Idaho, but her home is in Akron. One of her many jobs as Assistant Dean of Women is being in charge of all sorority rushing activities.

Acting as advisor to the Booster Club may not fall in line with a military life, but it shows the varied interest held by Lieut. Col. Thomas Wall, commanding officer of the ROTC unit at the university. At present there are 400 enrolled in the ROTC unit.

Seeing to it that more than one thousand students are fed is the task of Ernestine Williams, Head Dietician. She not only has the girls in the dorm to feed twenty times a week, but also the men at Terrace Lodge. Ordering, preparing and serving meals for that number keeps her quite busy.

Publishing the yellow-bound general catalog is one of the many tasks performed by Alfred A. Crowell. In addition to teaching courses in journalism, he publishes a three hundred page annual bulletin for the university and many leaflets for the individual departments.

Trying to find jobs for the graduating seniors is starting to be quite a problem, but Dr. Lester Munzenmayer has helped many KSU graduates to good positions, and will continue to do so in the future. As director of the placement bureau he keeps a file on every graduate of the university, and helps them in obtaining a job.

Finding rooms in the last couple of years has been quite a job, but Mrs. Rhema Fair, Director of Residences has handled the task without much difficulty considering the shortage of rooms that exists around the university.
Eldred Savires, Assistant Dean of Men, assumed the position in August of 1948. While serving in this position he is also working on his masters degree. It is his job to work with the men on the campus and help the Dean of Men with his work.

As Director of Admissions, Richard Rotzell is responsible for admission of each new student to the university. This consists of evaluating credits from high school and other colleges as well as consulting with students as they advance from one division to another.

Getting the university's name before the people is the job of Michael Radock and his public relations staff. With a staff of student assistants he sends news about students and the university to the publications in this area and over the entire country.

Lawrence Wooddell, Superintendent of Maintenance, sees that supplies are brought from the warehouse, makes sure that all the rooms are kept clean, and issues permits to students who wish to stay in the building overtime. He is in charge of a crew of two hundred men.

Acting as a link between the President and the students is Mrs. Alice Makinson, Secretary to the President. With her help the President is able to conduct the business of running the university without being interrupted at all times during the day.

Dr. Amos Heer, Director of Teacher Training, sees to it that a sound practical background is obtained for every student graduating from the College of Education. Through the system of practice teaching, young teachers gain some valuable experience while in school.
The fall term started with a record enrollment of 5,700 students enrolled on the campus. The total enrollment for both the Kent and the Canton campuses was 6,500.

The “Frosh” was greeted with the phrase “scrub that seal” and “dink” wherever he turned, and school spirit soared to a new high.

The rigor of registration with its long lines and complicated forms was an old headache for the upper-classmen, but to the new students it was quite confusing along with taking placement tests and physical examinations.

Freshman week was more than just the arrangement of class schedules and examinations. The introduction to college life was highlighted by an informal reception at the President’s home.

For the upper classman it meant returning to the routine of classes, library work and exams. It also meant dances, parties and rushing for the Greeks.

The month of October saw the Golden Flashes football team go undefeated in their first four games before being tied by Western Reserve. The Flashes dropped the next two games in a row before hitting the win column against Akron University and the University of Connecticut.

A spirited pep rally was held before the Youngstown game at Prentice gate and a snake dance, led by the university band was staged through the downtown district. Following the game a dance was held at Wills gym, and the traditional paddle was given to Youngstown college to be held by them again this year and for quite some time since we have dropped them from our football schedule.

Plans were completed for the “better relations” dance with Akron University, and it looked like the trouble that preceded the game last year would be avoided in this year’s game.

LEFT: The longest line at registration.

TOP RIGHT: She seems to have an armful of knowledge.
LOWER RIGHT: Everybody dinks during Freshman week.
Numerous organizations were planning parties and organizing events to keep the students on the campus over the week-ends.

The ISA planned and held a successful hay ride that was well attended by all the independent students on the campus, and a clamor for more of the same was heard on the campus following the event.

The Booster Club was making plans and holding spirited pep rallies before the important football games, and school spirit seemed to reach an all-time high during these rallies.

The university band could be found in the afternoons on the practice football field going through their intricate maneuvers that showed up so well during the half-time shows.
HOMECOMING QUEEN

MISS MARILYN TAYLOR

Beta Gamma
More than 8,000 people attended this year’s Homecoming Day celebration, which made it the largest in the school’s history.

All the Greek houses were gaily decorated to welcome back the alums, and after the judging was completed, the Delta Gamma’s and the Phi Beta Phi’s emerged victorious.

The Homecoming game did not turn out to our advantage, the final score being 21-14, but the half-time show compensated for the loss of the game. Student Council president, Phil Dempsey crowned Marilyn Taylor queen and presented flowers to the queen and her attendants, Lois Musick and Ruth Ann Gallagher.

President George A. Bowman and President Frank J. Prout of Bowling Green gave brief speeches welcoming the alums of Kent State University back to school.

The day ended with a dance held in Wills Gymnasium in honor of the “old grads”. Everybody left with fond hope of being able to return again next year for a bigger and better affair than the last one.
ALL GREEK FORMAL

Again this year as in years gone by the traditional competition among Greek organizations was temporarily put aside to make way for the display of social grace and latest in evening wear at a special formal dance.

The dance was the annual All Greek formal, sponsored by the Alpha Phi sorority to honor their new pledges. This year eighteen pledges were honored and given their official welcome at the "coming out party" held at East Market Gardens ballroom in Akron at the end of the Fall quarter.

Eleanore Kolk, president of the Alpha Phi sorority, was in charge of the ball, one of the bright spots on the fraternity and sorority social calendar.

Banners of each organization on campus decorated the spacious ballroom for the All Greek affair, and a high spot in the evening's entertainment was the "Song Intermission" when each group serenaded those in the audience with its fraternity song, with the Kappa Sigs and Beta Gams giving an impressive rendition of the "Battle Hymn of the Republic".

Ed Karakul shows the Gamma volleyball trophy.

Alpha Phi Serenade. Time out for the pause that refreshes.
In the month of December an overflow crowd of students and faculty members filed in the auditorium to hear an address by the Honorable Sumner Welles. It was one of the largest crowds ever to witness an assembly in the history of the university.

Also during the month of December, the girls at Moulton Hall put on their finest formals to enjoy their annual Christmas formal, the "Mint Prom", which was held in the Music Room in Moulton Hall.

The week before Christmas vacation found the Greeks making the rounds of the sorority and fraternity houses and dorms singing Christmas carols.
MISS KENT STATE

MISS RUTH ANN GALLAGHER

Delta Gamma
The annual Top Hop was held during the month of January with Miss Kent State being presented with a trophy during intermission.

Miss Kent State for 1949 was Ruth Ann Gallagher, Delta Gamma, who was elected this honor by student vote. Miss Gallagher was elected from a field of three, the other two being Jean Milford, Alpha Phi, and Martha Lansinger, ISA.

At intermission the queen was escorted to the throne by heads of all Greek organizations and the ISA. Attendants Jean Milford and Martha Lansinger walked beside Miss Gallagher during the royal procession.

The name band for this year’s dance was Shep Fields and his band. The dress for the dance was informal but numerous students wishing to keep the old tradition of formal wear at the Top Hop dressed for the occasion.
Students, faculty and townspeople jammed the auditorium again this year to witness the annual Pork Barrel presentation by groups on the campus.

The planning and arranging for this annual show is done by Women’s League and Men’s Union.

This year as the year before, eliminations were held the night before the final show to eliminate those shows of lower calibre and to cut down the running time of the presentation.

The winners in their respective divisions on the final night were Engleman hall, Industrial Arts club, Alpha Phi sorority and Gamma Tau Delta fraternity.
The annual Masque Ball was held during the month of February. The dance was sponsored this year by Women's League, Men's Union and the Art Club.

During the intermission of the dance, the Chestnut Burr Queen for 1949 was crowned and presented with a trophy from the staff and flowers from Men's Union.

Miss Betty Jean Smeltzer, Kappa Kappa Gamma, was chosen queen by Mr. G. W. Churchill, foreign pictorial editor of Life magazine. Her court included Miss Betty Reddrop, Alpha Xi Delta, Miss Sally Koch, Alpha Xi Delta, and Miss Carol Volkman, Alpha Phi.

There was no admission charge for the dance this year, but costumes were preferred. Many unique and original costumes could be seen at the gala affair. The gym for this dance was decorated the best that it has ever been decorated. The topic of conversation throughout the dance centered around the decorations, which were of a reincarnation theme carried out in abstract drawings.
With the completion of the winter quarter came also the completion of the new medical center at the university.

This was the first building completed of three that were started approximately at the same time. The other two, the student union and Stopher hall, men’s dorm, will not be completed until sometime in the fall.

The medical center will have all the facilities necessary to maintain the health of the students here at the university.

In the “Duke of Kent” contest sponsored by the Chi Omega sorority, Fred Green of Phi Beta Phi emerged victorious. The profits from this contest were donated to the Stadium drive. It was the second year in a row that the winner was a member of Phi Beta Phi fraternity.

Vic Moore’s dream of a gym team and gym meet finally came true during March, when the Flashes were host to the gym team from the University of Michigan, and although they came out on the short end of the meet by two points they gave Michigan a good battle.
Students gather on the steps at the first sign of Spring.

These veterans must be in a rut; they are still standing in lines.

Bob Phillips gets some pointers from Mr. G. W. Churchill of Life magazine, also Burr queen judge.
The Pork Barrel for 1948 looked more like professionals at work on the stage instead of amateurs. Competition each year is becoming keener and this year was no exception.

The dialogue was excellent, the costumes were unique and original, and the lighting and staging left nothing to the imagination.

In the sorority division the Delta Gammas came through with flying colors to capture the trophy.

In the fraternity division the Gamma Tau Delta fraternity presented a brief review of previous events at KSU to win the award in their respective division.

An overflow crowd witnessed the show and was pleased with every "skit" that was presented during the evening.
The annual Penny Carnival sponsored by Blue Key was held during April of '48 with all the proceeds going to the stadium drive.

The gym on that evening looked like the midway at Ringling Bros. circus, with fraternities, sororities and organizations having stands around the entire gym.

The Alpha Xi Delta sorority with their "House of Horrors" and "Leg Toss" collected the most money among the sororities.

Delta Phi Sigma with their basketball shooting stand took top honors among the fraternities.

The idea of Penny Carnival originated during the war to collect money to send "Staters" to KSU men in the armed forces. Since then it has been carried on with the money going to any worthwhile cause.
MAY QUEEN

MISS DAISY TAYLOR
CAMPUS DAY

Starting with the traditional painting of the "K" by the DU's and the presentation of the "K" girl, Isla Schnaufer, Campus Day festivities got under way.

Cardinal Key women led a solemn procession of queen contenders from the steps of Lowry to the lower campus, where Student Council president, Tom Davey, announced the May Queen, Daisy Taylor.

Following crowning of the May Queen and the Maypole dance was the float parade. The parade this year was elaborate and showed much ingenuity on the part of the participants. The winning float in the fraternity division was the Kappa Sigma Chi's. They used the idea of world peace, with a large float of the world with Stalin and Uncle Sam on top.

In the sorority division the Beta Gamma's copped top honors with a float of a Dutch windmill, and a number of girls walking beside the float dressed in Dutch costumes.

In the evening the students gathered on the lower campus to hear the songfest. Delta Upsilon won the fraternity division with their rendition of "Send Forth Thy Spirit" and Delta Gamma took first place in the sorority division singing "All The Things You Are".
REGATTA QUEEN

MISS CAROL STOFCHO
After months of study and hard work, the students and faculty spent a day of relaxation at Brady Lake to witness the eighth annual Rowboat Regatta.

The day’s activities began with a softball game between Delta Phi Sigma, the fraternity champs, and a faculty team led by Trevor Rees. After the smoke from the battle had cleared, the Delts were declared the winners by a 21 to 1 score.

Following the softball game came the judging of the regatta queen, which was won by Carol Stofcho, who reigned over the day’s activities.

The Independent race was won by Bob Speno and John Grimaldi rowing for ISA, but only after they had nosed out the Friars club in a thrilling race. In the women’s division, WAA copped first place with Bernice Looney and Jean Walcott at the helm.

Delta Upsilon captured first place in the fraternity division and Jean Fulweber and Mary Beth Sherman rowing for Gamma Phi Beta won first place in the sorority race.

In a special attraction, a faculty crew comprised of Prof. Will S. Thompson and Prof. Frederick E. Davidson nosed out the Stater crew, Phil Dempsey and Neil Heaslip.
We wonder if the conversation has anything to do with photography.

PHOTOGRAPHY SHORT COURSE

More than 300 professional photographers attended the 1948 Short Course in News Photography. The course this year was concerned only with professional cameramen and their problems.

Professor James A. Fosdick was executive secretary for the seventh annual event. Joseph Costa of New York was director for the course. Many top photographers were present to give lectures, some of which included, George Yates, Ralph Wareham, Frank Scherschel, and William Eckenberg.
After four years of studying, worrying and cramming, the goal of all college students was attained. It was a memorable day for approximately 660 seniors, when the late Dr. E. C. Stopher handed them their degrees.

The years between that first day of registration during freshman week and the last time the graduate would walk in a solemn procession from McGilvrey hall to the auditorium were filled with fond memories. Even though they had worked hard toward their goal and reached it, it would be rather hard to leave a place that had so many enjoyable moments.

Mr. G. W. Churchill
Judge
The past season of the University Theatre was perhaps the finest and most successful season in the Theatre's history. The five plays which were presented marked all-time highs in attendance records.

Wes Egan, the technical director of the University Theatre, directed his first play at the University, "Village Green". The play starred Ed Shelton, an "old-timer", and Phyllis Phillips, a "new-comer".

When the students returned in the fall, Professor E. Turner Stump directed the David Belasco production, "The Return of Peter Grimm". This play was well-received here at the university and was taken on the road to Central Michigan and Bowling Green.

The highly successful production of Lillian Hellman's "Another Part of the Forest" was given and Professor Earle Curtis served notice of future hits to come when he turned in a brilliant job in the direction of this play. The hard-luck play, the annual freshman production, "Yes and No", was directed by Mrs. Katherine Norton. Postponement of the play was forced upon Mrs. Norton when just four hours before opening curtain one of the leads, Jackie Gelbman, was stricken with pneumonia. The play was re-scheduled at the beginning of the winter quarter and was a successful production.

Then came the theatre's annual classic production, William Shakespeare's immortal tragedy, "Romeo and Juliet". This play marked the return to the University Theatre of Professor G. Harry Wright after a successful season as director of the Kent State University Showboat, on the river last summer. Mr. Wright turned in his usual fine job of direction. Many new innovations in the Shakespearian drama were tested successfully by Mr. Wright and Mr. Egan, technical director. This completed a fine entertaining season by the UT.

PRESENTS

A scene from "The Return of Peter Grimm".

A scene from "The Village Green".
When the shriek of the calliope heralded the coming of the showboat on the Ohio and Kanawha rivers last summer, university students and their professors were aboard to revive the old-time entertainment.

Bringing back a bit of yesteryear, the floating theater served as both an actors' laboratory and a fond memory of days gone by. The hiss for the villain and the cheer for the hero were interspersed between vaudeville acts on the three-month tour, sponsored by KSU.

G. Harry Wright, professor of speech, chartered the showboat "Majestic", the last of its kind to play along the rivers, after a visit to its captain, T. J. Reynolds. At that time he inspected the "Majestic" and found it in excellent condition despite a war-enforced layoff.
Success to Professor Wright's plan to bring back the showboat was aided by 14 of his student actors, dancers, musicians, and singers at the university and nine students from Hiram college taking summer courses at Kent, who also made the trip.

It was conducted as a summer class with Prof. Robert I. Pearce, head of the Hiram speech department, who helped with the teaching and directing chores. The students slept, ate, and entertained on their buoyant classroom till Sept. 15.

The idea Prof. Wright had in mind was to bring back some of the cultural heritage of America. Wright, at present, is considered the outstanding expert on show boats in the United States.
STUDENT BODY
Only a few of the dink hazed freshmen in the fall of 1945 scrubbed the university seal at Prentice Gate. The rest kept the Seal shining that year by stepping over it.

For the next three years, they made others scrub to keep the Seal bright. Then, at the 1949 June Commencement, they, much larger than last year's graduates, found the same university seal—still as bright as ever—impressed upon their degrees.

Approximately six hundred seniors elected a co-ed council of four to conduct their class affairs. This council included Owen McCafferty, Pete Ulrich, Christine Voigt, and Jean Milford.

Student Council chose Phil Dempsey as its president, and played the great game of campus politics very progressively. Other seniors aiding Dempsey in Council included Roger Howard, Martha Lansinger, Wally Kotouch, Clarence Peoples, Curtis Sarff, and Phil Brustein.

Dempsey also served as Managing Editor of the Kent Stater, and David Kaplan, another senior, held other campus posts such as Business Manager of the Chestnut Burr, vice-president of the ISA, Chief Justice of the Traffic Court, and editor and business manager of the 1949 student directory. Now it is up to the class of '50 to handle the important posts on campus.

Activities of the Junior class were well under way following the fall quarter election of officers. Pres. Bill Jones took over his duties in December along with George Rybak, vice president, Gretchen Rader, treasurer, and Jacqueline Duke, secretary.

Plans were immediately set forth to sponsor the election of the most popular university man and woman. They were introduced at the annual 'Popularity Ball'.

The second big task which is undertaken yearly by the Junior class is the preparation for the junior-senior prom. An affair which is always number one social event of the year lived up to its expectations and was an immense success in 1949.

Outstanding juniors in university activities were numerous and to name them all would take pages.

Marilyn Taylor was elected by student vote to reign as queen at Homecoming which was a huge success despite the loss to Bowling Green on the football field. Ruth Ann Gallagher became the "Miss Kent State" of 1949 in a close election.

In the University Theatre production of "Peter Grimm" junior Ed. Shelton very ably portrayed Peter. In sports the Junior class's outstanding donations were Wib Little in football and Dale Haverstock and Leroy Thompson on the basketball floor.

Another year finished, the Junior class now is looking forward to its last year at the university with as much enthusiasm as it showed upon entering the junior standing.

When the final votes were gathered and counted it was found that history had repeated itself. For Dick Rice, last year’s Freshman class president, had been elected sophomore class president.

His assistants in organizing the class included Cid Dettor, vice-president; Joanne Hall, secretary; and Stu Hull, treasurer. This group lead the class activities and planned for the class dance and picnic which was held.

The sophomore class could rightfully boast the athletic prowess of such athletes as Joe Kotys, 1948 Olympic gymnastic participant and letterman in wrestling, and swimming and gymnastics; Bob Pease, football; George Fulton, basketball; and Dean Johnston, swimming.

Of the four members on the Assembly Committee, three of them were members of the Sophomore class. They were David Brand, Dot Marburger and Pat Sutton.

In Student Council the sophomore class was represented by Nancy Reddrop, who was a holdover from the previous year.

Although late in organizing, the sophomore class rounded out in short order and was able to carry on the traditions that had been started by previous classes.

They are now prepared to take over some of the duties that will be bestowed on them as juniors and handle them with as much efficiency as they did their sophomore responsibilities.

Students climbing the hill for classes.

The administration building in spring beauty.
"Youth, Youth, why must it be wasted upon the young."

We hate to disagree with GBS but it certainly hasn't been wasted upon this years 1300 freshmen. After the first hectic and confusing weeks the frosh put their shoulders to the wheel and nose to the grindstone and set down to work.

At the first freshman class meeting President Bowman spoke to the students informally about participation in extra-curricular activities. Introduced by Council President, Phil Dempsey, the Freshman class advisors Jo Haggerty and Chuck Fletcher explained class dues and balloting.

The Committee of 40 led by President Dick Davis was organized under the Booster Club for the advancement of school spirit among the Freshmen.

The Freshmen Players of the University Theater presented the hilarious English play, "Yes and No", by Kenneth Horne featuring Jackie Gelbman, Vern Roberts, Mary Lou Horne, Norma Remmy, Dick Johnston, and John Biggs in the major roles. The entire production was under the direction of Mrs. Katherine Moore Norton.

After hectic campaigning the Freshman class went to the polls with the following results: Ralph Gunnar was elected president; John Stahlman, vice-president; Betty Naugle, secretary, and Margaret Menges, treasurer. Gene Taggert, Larry Marchesano, Harry Molidoven and Bill Roberts were elected Frosh posts in Men's Union while Pete Demos, Marge Buckles, Leroy Tunnel and Bonnie Sue Rader were representatives on the Student Council.

Ralph Gunnar, Margaret Menges, John Stahlman.
A scene from the freshman presentation "Yes and No".

Hal Stoneman measures head sizes for freshman dinks.

"To dink or not to dink", that was the question which confronted some 1300 puzzled freshmen this fall.

However, after the butterflies left the stomachs of the "frightened and frustrated freshies" they set down to work, which is usually the case in all freshman classes.
Wherever there were freshmen there were lines.

Nancy Waterhouse doesn't seem very happy with her job.

The Registrar's office was a crowded place during the week.

Mr. Beck "shot" quite a few freshmen during freshman week.
The Greeks passed out fraternity information to the new male students.

Joan Milford doesn't mind being stuck with that needle.

A very busy table during freshman week.

Seeing to it that there is better coordination among the fraternities on the campus is one of the primary aims of Inter-Fraternity Council. Membership in this organization consists of the president of each fraternity and one other member of the fraternity. Their meetings are held on alternate Wednesdays.

For the past year Curt Sarff, Kappa Sigma Chi, was president, Don Smith, Alpha Phi Beta, was vice-president, secretary was Pete Culler of Gamma Tau Delta, and treasurer was John Finn of Delta Phi Sigma.

One of the main projects for the group is the awarding of the scholarship cup to the fraternity with the highest point average. This cup is presented to the winning group at a special banquet held during the spring quarter.

The council also controls rushing and pledging, serving as a coordinating body between the campus fraternities and the administration. At present all clubs wishing to be installed as fraternities on the Kent campus must be passed on by Inter-Fraternity council before they can operate as a recognized local fraternity.
Pan Hellenic council takes time out each fall from organizing rush lists and rules to sponsor the first tea of the rushing season, the annual Round Robin.

A bridge tournament is also sponsored by the council which awards a trophy each spring to the sorority having the highest scholastic average for the year.

Representatives from seven of the national sororities and one local sorority made up this year's council.

All rules governing rushing, pledging and other interfraternity relations are acted upon by the group.

Advisor for the council for the past year was Miss Rena Matson, assistant dean of women. This group works on close unity with the dean of women's office.

Officers for the group were Elizabeth Steve, president, and she was assisted in her tasks by Bonnie Kaiser, secretary and Pat Schaeffer, treasurer.
It must be an interesting discussion.

ATHLETICS
It's been a long road since Athletic Director Trevor Rees revived football at Kent State in 1946, but in those three years, "Trev" and his staff have brought this school to a position of high esteem in state football circles.

This year the Flashes invaded the East coast for the first such trip in school history and humbled the Huskies of Connecticut worse than the Yale Bulldogs, Levi Jackson and all, could do.

Trev has added some fine frosh and sophomore talent which will make the Flashes strong for many years to come.

Starting with a group of war veterans in 1946, Rees built his machine into a growing organization. The peak performances from that crew have not been reached yet, since most of them will still be around come next fall.

Rees, an All-American end at Ohio State in 1935, is assisted in his football chores by line coach Wesley Stevens, ex-Purdue luminary, guard coach Karl Chesnutt of Ohio University, end coach Dave McDowell, one of the all-time greats of Muskingum college and George Lynn, captain of the national champion grid team at Ohio State in 1942.

Starting the '48 season off with a win over Mount Union, the Golden Flashes broke the Purple Raiders two-year record of not having been beaten on their home field.

All-Ohio Wilbur Little continued as in '47 by scoring all three of KSU touchdowns in the tilt with the final score being 18-0.

Working from the short punt formation, the Blue and Gold worked the two team system, offensive-defensive, to perfection. The Raiders were held to a net ground gain of 42 yards and picked up 66 yards via the aerial route. Kent picked up 338 yards.

Bob Pease tries to elude a Mt. Union tackler.
Opening their home schedule, the Golden Wave rolled up a 39-0 win over a hapless Wooster eleven before a crowd of over 8,000.

Starting slowly, the Blue and Gold rolled for 32 markers in the second period. Two recovered fumbles and pass interceptions accounted for three of the second stanza six-pointers.

The victory broke a two game jinx held over KSU gridders by the Scots. In their only two previous meetings, 1937 and 1947, the Wooster club entered the clashes as underdogs and won both times.
The Yellow Jackets of Waynesburg College were next on the Blue and Gold victim list. Again waiting until the second quarter to move, the Flashes pushed over 14 points in that period and finished on the long end of a 34-7 count.

Kicking the first extra-point of the game, Frank Mesek started on a continuous successful place-kicking mark that reached 23 straight before the final curtain dropped on the season.

Despite a field wet from rain, the Blue and Gold moved 303 yards under the lights against only 74 for the Pennsylvanians and completed 6 out of 13 passes.
Sparked by Wib Little, the Golden Wave rolled for their fourth straight win of the year when they trekked to Central Michigan to take the measure of the Chipewa's 28-0.

Hitting for 332 yards on the ground and 37 in the air, the Flashes held the Chips to 98 yards. Ishen Williams, passing ace for the Chips, was held to only five completions for a total of 34 yards due to the fine defensive work of ends Radabaugh and Jim Betteker.

Two touchdowns were scored by Little, and Gene Hudson and Bob Beachy scored the remaining two for the day.

Instead of notching their fifth victory over the Red Cats of Western Reserve, the Reesmen picked up a 14-14 tie on a rain soaked League Park field before 3,400 fans.

Little again supplied the punch for the Blue and Gold as he slipped loose for 42 yards in the second quarter for the first score. Ray Hyser, defensive center intercepted a Red Cat pass and charged 36 yards for the final Flash score of the game.

Taking a second-half kick-off, Reserve speedster Len Corbin bulled from his own 3-yard stripe, straight up the field for the score. The game was tied in the final period by the Cats.

Mesek makes good the extra point against Reserve.
Still gunning for their fifth win, the Flashes hosted Youngstown College in a night tilt, but with the help of two pass interceptions, lost the battle, 19-7.

Lacking the services of Wib Little due to an ankle injury, the Flashes couldn’t roll themselves, and also couldn’t stop Al Campana, Penguin ace. Scoring two of the visitors touchdowns, Campana proved to be the same thorn in the Blue and Gold’s side that he was in ’47 when he also scored twice.

Holding their own in the statistical department, the Reesmen averted a shutout on a pass from Jerry Tuttle to Fred Russell.
With 12,000 Homecoming fans in the stands, the Blue and Gold fell before a powerful BeeGee combine as the Falcons continued their unbeaten skein.

In the first five minutes of the clash, the BeeGees capitalized on a fumble and a blocked kick to push over 14 points and eventually win the ball game, 23-14.

After the initial scoring, the Blue and Gold fought back and dominated the clash after the halftime intermission. Russell and Little each tallied but the Falcons were never headed. They picked up another six-points, and a safety rounded out the day’s scoring.

Little breaks through for a short gain against BG.
Despite the lack of pre-game uprising in either camp, the annual meeting of the Blue and Gold with its arch-rival Akron U. was one of the best games of the year from the KSU standpoint.

Pushing over four touchdowns and one field-goal, the Golden Wave handed the Zippers a 31-0 defeat with Wib Little scoring three times.

Playing before 14,000 Rubber Bowl fans, the Flashes outclassed the Zips all the way as Little and former defensive back Fred Russell rolled up the yardage which totaled 341.
Sent on their way East by a crowd of over 1,000 faithful followers, the Golden Wave made their first invasion of Eastern football circles and came home with a 42-26 win over the UConn of Connecticut university on the record books.

Playing at Storrs, Conn. in the season finale, the Reesmen bagged six touchdowns and Frank Mesek added six extra-points. Little led in the Flash scoring with two tallies and Beachy, Bob Pease, Neal Nelson and Roy Snyder each contributed one marker.

The Flashes held a half-time lead of 21-7.

Little snags a long pass to score a TD.
For 17 years, the university wrestling team has been in the hands of one man, Joe Begala. Back in 1929 Coach Begala came to Kent State and took over the mat squad from "Doc" Roberts and since then, except for war-time duty with the United States Navy, the Flash grapplers have been coached by him.

Including last year's decisions, the Blue and Gold matmen have an all-time percentage of .841 wins and three of the editions from "Begala's Beach" have gone through a season undefeated, which has won KSU quite a reputation in wrestling.

In his undergraduate days at Ohio university, Begala gained the title of "Iron Man" after winning both the 175-pound and heavyweight bouts in a match against Purdue university. His college activities also extended to the gridiron where he earned himself an All-Ohio title at guard.

Under Coach Begala's tutelage, the Flash squads, in addition to dual meet competition, have notched eight wins out of 11 tries at the annual inter-state meets held at Cleveland.
WRESTLING SQUAD

FIRST ROW: Jack Shrimplin, Gil Montague, Rick Mihaleye, Tom Hansen, Sandy Le Vine.
SECOND ROW: Ben Appel, Joe Klosterman, Mike Slopecky, John Milkovich, Nate Simon, Armando Caperna, Gil Dubray.
NOT PICTURED: Ralph Wilson, George Andrus.
The Golden Flash grapplers won eight out of eleven meets this year and place third in the Interstate meet in Cleveland.

The outstanding wrestlers for Coach Begala this year were captain John Milkovitch and Ralph Wilson with additional strength coming from Gil Montague, Warren Sanders, Mike Stepecky, Gil Dubray, Joe Klosterman and Ben Appel.
Taking over the reins of a college basketball team for the first time in his career, Dave McDowell turned out one of the best Blue and Gold hardwood squads of all time. Coming to the university in September, McDowell took the place of ex-Flash mentor Harry Adams who resigned last June.

The 235-pound, 27-year-old native of Cuyahoga Falls, has been mixed up in athletics since he entered school. At Falls high he participated in three sports and later at Muskingum college he captained both the basketball and football teams.

While at Muskingum in 1942 he was named to both All-Ohio and All-Ohio Conference basketball teams. Working with last year's squad with the exception of Bill Sudeck and Harry Anderson, McDowell has built this year's combine into one of Ohio's best hardwood teams.

Dale Haverstock, Fred Klasiner, Leroy Thompson, Jerry Amico, John Colliver and George Fulton, were the mainstays of McDowell's 1949 issue of the Flash quintet.

The same players will be back again next year to form a strong team with quite a bit of experience.

The 1948-49 basketball season was the best in the history of Kent State University, and it did a great deal to further the university's policy of endeavoring to inaugurate the "new era" in athletics.

Coach Dave McDowell's men achieved a record of 20 wins in 28 games, including the two Ohio conference tournament games, in which Kent won the first one against Mt. Union, but couldn't hit their stride in the following game and lost to Akron.

The team was led in scoring by All-Ohio Leroy Thompson, with Fred Klausner, Captain Dale Haverstock, George Fulton and John Collver contributing heavily to the offensive power of the team.

Coach McDowell will have the starting five back again next year along with Jerry Amico and numerous other fine varsity men, which should give Kent another record breaking season to top the record achieved by this year's team.

Although the Golden Flashes didn't win the Ohio conference tournament, they were runners-up and received a fine trophy for their efforts.

In the Youngstown tournament held during the Christmas holidays the Flashes proved to be the toughest of the four teams and walked off with the championship and trophy without too much trouble.

Considering their won and lost record and these two tournament records, the coach, squad and student body can well be proud of this year's team.

In their three games with the arch rival Akron, the Flashes lost the first one on the Goodyear floor, but came back strong in the next game at Wills gym to win. The final game was played on the Wittenberg floor to determine the Ohio conference tournament champion. Akron proved to be the better of the two teams that night and won the championship.

The Flashes lost only one game on their home floor this season and that was to the powerful Falcons from Bowling Green.
Highlighting the 1948 baseball season were two wins over the Akron university Zippers. Winding up their schedule with a mark of 12 wins against 7 losses, the victories over Akron made complete the year’s athletic dominance over the Zippers.

The Blue and Gold nine also broke a record of nine years’ standing. In 1939, the university nine rolled up seven wins. In the pitching department, big Hank Burmeister tossed six straight victories for the Flash combine.

A 13-0 beating handed to Baldwin-Wallace was the highest scoring tilt of the 20-game slate, and sparking the Wes Steven’s coached outfit was hard-hitting shortstop, Chuck Gromely.
SECOND ROW: Joe Begala, Dan Kratzer, Bill Piatner, Bill Cox, Bob Mitchell, Dick Sandford, Harold Bright, Herman Speck, George Muffley, Bob Sargent.

Nineteen forty-eight’s edition of the Kent State Golden Flashes turned in one of the finest set of records in university history as they racked up a five win, two loss mark and picked up third position in the Ohio conference meet held at Ohio Wesleyan.

Opening the season with two losses, Coach Joe Begala’s thinclads bounced back to win the remainder of their scheduled dual meets. Bowling only to Muskingum and Bowling Green, the Flashes stopped Mt. Union, Case, Western Reserve, Hiram, and Penn.

Sparking the squad were Henry Clark, Steve Eschuk, Tom Clark, Dick Mowery and George Morar.
The swimming team coached by Bill Hoover ran up against some tough luck at the start of the season when a couple of the crack members were lost for the season, but the team came through in fine style to record a seven win, five lost record.

In the Fenn relays held in Cleveland, the team did better this year than they did last year when they copped a third in the relays compared to the fifth place of last year’s team.

In the Ohio conference meet held at Kenyon this year, the natators captured third place. Joe Kotys won the Ohio conference diving crown.

This year’s team was KSU’s first entry in the National collegiate swimming meet held at Chapel Hill, North Carolina.
GOLF

Not since 1934 has the university had a golf team comparable to the '48 edition of the Flash linksmen. In addition to piling up eight wins against one loss in dual competition, the golfers took third place in the Ohio conference meet at Denison.

They also tied the university record of six consecutive wins. The original mark was set in 1934.

Falling before the onslaught of the Flashes clubs were Mt. Union twice, Youngstown, Western Reserve, twice, Hiram and Akron.

In the Ohio State tournament, the Flashes notched seventh place.

Youngstown college spoiled the dual match record for the golfers of Coach Harry Adams as they turned the Flash linksmen back with a 10-6 defeat in the seventh meet of the year.

TENNIS

Reorganized for the first time since pre-war days under Karl Chesnutt, the Blue and Gold tennis team moved through a nine dual match schedule with a six win, three loss mark.

The victories came in pairs over Mt. Union, Kent State University Canton, and Hiram. Western Reserve took two decisions from the Flashes and Mt. Union’s Purple Raiders copped the other.

Jim Kline and Dick Brownsberger trekked to Kenyon to represent the university in the Ohio conference match but failed to get past the first two days’ competition.

Two shut-outs were effected by the squad as they blanked Mt. Union 9-0 and KSUC, 5-0. In their two wins over the Hiram Terriers, the combine gave up only one point each time as they triumphed 4-1 and 8-1.

MEN’S INTRAMURALS

Working with more organizations and teams, Vic Moore directed and guided all phases of competition between the various fraternities and independent groups on the campus in another year of intramural sports.

Coming through as a dark horse, the Gamma Tau Delta fraternity copped the first place in interfraternity football competition, and then came back strong to win the all-university championship in volleyball, and capture the trophy in the fraternity swimming competition.

Maintaining their dominance as a basketball power, the Delta Phi Sigma’s captured the all-university championship and also won games from the independent championship team from Hiram and the intramural champs from Akron university.

The Dels also were the winners of the interfraternity wrestling crown to give them two of the coveted trophies by mid-season.

In the track meet held last spring the Kappa Mu Kappa’s pulled a first to win the trophy.

WOMEN'S INTRAMURALS

Under the auspices of the Women's Athletic Association board composed of representatives from each sorority and dormitory, university women participate in athletics in a program similar to men's intramurals.

They engage in ping-pong, soccer, badminton, volleyball, basketball, bowling and various other athletic events. The organization or sorority accumulating the most points receives the Women's Athletic Association trophy that is presented each year.

Last year the trophy was won by the Alpha Xi Delta's. This year the competition seems to be much keener and it is an open race so far which any team might win.

Advised by Miss Beverly Swidel, instructor in physical education, the WAA attempts to present a suitable intramural athletic program in which any woman in residence is eligible to participate.

ORGANIZATIONS
The initial chapter of the nationwide dramatic honorary, Alpha Psi Omega, was founded at Kent in 1926 by E. Turner Stump and Paul Opp. The honorary now totals 245 chapters.

The members of the hall held a winter formal this year in Akron and according to all reports it was a gala affair.
One of the university's most important groups is the Allocations Committee which allots money to various campus organizations from the student activity funds. This amount totalled approximately $85,000.00 this year. After this money is allotted it must be approved by student council.

Composed of 18 representatives and four advisors appointed by student council, the committee chairman was Warren Lashley and secretary was Rosemary Grzinsic.

Advisors to the committee are Drs. Donald Anthony, Stanley Corey, Kenneth Kelly, and Mr. Paul Beck, business manager of the university.

Kent State's unit of the American Newspaper Guild is the largest collegiate chapter in the country. It boasts sixty members who actively participate on the various student publications.

Over 1200 students, faculty members, and friends of Kent State university comprise the group that prides itself in the fact that it is boosting a great university.

During the fall quarter, the greatest pep rallies in the history of the school highlighted the grid campaign of the Golden Flashes. Torches lighted the way, guest speakers were on hand, the university band paraded, throngs of enthusiastic Flash followers were awed by the spectacles.

The winter quarter of 1949 brought Bill Reichard, one of the school’s outstanding Boosters, in as president. Bright prospects fill the air for the coming year.
Publishing the student directory was again undertaken by the members of Blue Key. This is sold to the students without profit by the Blue Key as an example of the services offered by the men’s national honorary.

The Friars' Club was formally organized on January 27, 1948, by twenty students interested in forming a fraternity for Catholic men. With this aim in mind the members have developed one of the most prominent organizations on campus.

Now having a membership of sixty men, the Friars have been very active socially. Each of the eight sororities on campus has been a guest in their home at 225 East College street where they have been residing since June, 1948.

Although the Friars are still in their infancy, they have already set the precedent for future members with the traditional "Gold Cup" formal dance to be held each winter quarter. For each quarter since their founding, the Friars have had a formal dance.

Other traditions which the club has formulated are "The Friar", a monthly publication by the club, and Communion Sunday. The first Sunday of each month all of the brothers receive Holy Communion in a body at St. Patrick's church.

Contributing their donation toward the stadium drive, the Friars' Club brought Spike Jones to K.S.U.'s campus. For two and one-half hours the audience split their sides with laughter at the "Big Nail" and his City Slickers' musical madness in his "Musical Depreciation Review".

Realizing the potentialities for a group of young men having one common belief, Catholicism, the members of the Friars' Club are whole-heartedly striving to promote intellectual and social inspiration on the campus. They look forward to becoming a local and someday a national fraternity.
Promotion of Christian ideals and closer fellowship of college men is the aim of one of Kent's newest organizations, Delta Sigma Theta, national Methodist men's fraternity.

The local chapter, Sigma, was officially installed June 5, 1948 when 21 men were initiated. Membership is now at 28.

Following the initiation of the fall pledge class the fraternity's attention was focused on the Valentine Sweetheart dance. They also participated in many of the social activities of Wesley Foundation.

William H. Saltsman directed the fraternity's activities. Assisting him were Charles Kendig, David Sprang, Hobart Adams, John Collins, Bill Nicol, William Barth and Harold Province.

C.A.R.E. packages were sent to the Europeans by the Elementary Education club which also co-operated in the European Teacher's aid program this year.

Approximately 50 elementary education majors comprise the membership of the organization.

Social highlight of the year was the spring banquet.

Monthly meetings frequently feature outstanding speakers in the profession.

Marion Brunswick performed the presidential duties for the organization. Janet Crawford served as secretary-treasurer and social chairman. Miss Susanne Koehler acted as faculty advisor to the group.
Campus Night 1948 is well remembered for the trophy it brought to the recently organized Daughters of Mary club. The club was only two months old when it captured the Independent trophy in the annual parade of floats.

Efforts of the members are directed toward a common goal—to become a local catholic sorority.

Meanwhile the club is participating in various university activities including Pork Barrel and the Row Boat Regatta.

Directing the club’s activities were Joan Beckman, assisted by Betty Buckley, Frances Stone, Delores Volpe, and Phyllis Cye. Miss Mellert and Rev. Cunningham acted as advisors to the group.
